Hello everyone. When I was asked the question on our call about the responses to the Governors' letters, I thought I remembered that the responses had gone out, but did not want to give you any misinformation. Sure enough, the letters went out a couple of weeks ago and all three are attached. I am assuming that these are the responses your were inquiring about. If not, let me know.

Thank you,

Bryan Olson  
Director, Office of Site Remediation and Restoration  
US EPA, Region 1
